

City of Quincy

November 1, 2024

Dear Quincy Electricity Customer,

You will be automatically enrolled in the Quincy Community Electricity product, “Quincy Standard”, unless you affirmatively opt out by mailing and postmarking the enclosed opt-out card by **December 4, 2024**.

The City of Quincy is offering a program called Quincy Community Electricity (QCE). The Program is a carefully designed alternative to your current electricity supply options that include those offered by Quincy and other third-party electricity suppliers. By implementing the Program, Quincy aims to provide electricity products that increase our community's renewable energy use and reduce carbon pollution.

YOUR OPTIONS

Your participation in the Program is voluntary. You can leave the Program at any time without penalties or fees.

- 1

Automatically enroll in Quincy Standard, which adds 10% voluntary renewable energy (MA Class I RECs) If you take no action, you will be automatically enrolled in the default product, Quincy Standard, starting on your next available meter read. The electricity supplier for the Quincy Community Electricity Program is Dynegy.
- 2

Choose to enroll in another Quincy product with more or less renewable energy content To choose a different product, call the program’s electricity supplier, Dynegy, at (866) 220-5696, or submit an online request at QuincyCEA.com.
- 3

Choose to continue with National Grid Basic Service To remain with National Grid Basic Service for your electricity supply, you must opt out. To opt out before being automatically enrolled, you must take one of the following actions before **December 4, 2024**:

Sign, date and mail the enclosed opt-out card

or

call Dynegy at (866) 220-5696

or

submit the opt-out form at QuincyCEA.com

The Quincy Community Electricity Program cannot guarantee savings compared to National Grid Basic Service for the duration of the Program pricing as future Basic Service rates are unknown.

Program prices could also increase as a result of a change in law that results in a direct material increase in costs during the term of the electric supply contract. Program prices include a commission fee of 0.1 ¢/kWh for the aggregation consultant. Program prices also include taxes which are billed as part of the power supply charge.

Quincy Community Electricity prices apply to service beginning and ending on the days of the month that your meter is read. Rates indicated above are for Supply Services only.

Some products contain additional Renewable Energy Certificates (RECs) above that required by MA law. The additional RECs qualify for MA Class I designation from generation located within, or delivered to, New England.

RENEWABLE ENERGY DETAIL

The Commonwealth of Massachusetts requires that all electric supply products include a minimum of 62% renewable energy resources in 2024, 63% in 2025, 69% in 2026, and 75% in 2027. Some program products, as shown below, contain additional renewable energy that exceeds the minimum required by the Commonwealth.

The Renewable Portfolio Standard (RPS) is the minimum renewable energy required each year by the Commonwealth of Massachusetts. MA Class I renewables are from new sources located within, or delivered to, New England, and built after 1997. For details on all required sources, see <http://www.mass.gov/service-details/program-summaries>.

PROGRAM DETAIL

- National Grid will continue to deliver the electricity that you use in your home and is responsible for the delivery charges that appear on your monthly bill. If you have questions about the delivery portion of your bill, contact National Grid at (800) 322-3223, or by visiting <https://www.nationalgridus.com/ma-home/>.
- The Program is served by Dynegy, DPU license number CS-167, (866) 220-5696, <https://www.dynegy.com/>.
- You can switch to a different program supply product any time after you've enrolled.
- Budget Plan or Eligible Low-Income delivery rate consumers will continue to receive those benefits from National Grid.
- Solar Electricity Consumers will not be impacted and will continue to receive their net metering credits while participating in the Program.
- You can leave the Program with no associated early termination fees any time after you've enrolled. If you leave the Program, your account(s) will be returned to National Grid Basic Service on the next available meter read.
- Exit Terms for Basic Service: There is no penalty charge for leaving National Grid Basic Service, however, Large Business customers may receive a billing adjustment charge or credit.
- Information about Basic Service: visit www.mass.gov/info-details/basic-service-information-and-rates, or call National Grid at (800) 322-3223.
- If you are receiving electricity supply from a competitive supplier and believe you have received this opt-out letter in error, you must sign and return the enclosed opt-out card. This will ensure you continue to receive your electricity from that competitive supplier and prevent any possible early termination fees.
- Tax-exempt small business customers participating in the Program must provide a copy of their Tax Exemption Certificate directly to Dynegy via email at Salestax_geotax@vistraenergy.com, or mail at Dynegy, ATTN: Customer Care, P.O. Box 650764, Dallas, TX 75264 in order to maintain their tax-exempt status.
- If you participate in the Program, you will be automatically enrolled at a new price at the end of the contract term unless you inform the City otherwise. The new price may be higher or lower than the existing price, and the voluntary renewable energy content may change. The City will contact you no later than 30 days before each automatic renewal to notify you of your supply options.
